

STEALING A JAMMER.
Chum Sam, a loafer, was charged with stealing

not coming about 7
 they, himself and
 an on the 10th inst.
 there they had seen
 the a prison le-
 (prison) and the
 his going to the
 cutter also saw the
 went there to see a
 name, and had some
 others denied that
 it then, and no one
 at Amoy, he was
 assistance.
 suggested that the
 with a tin, with
 not even list the
 the ship in Tain-
 the half day, and
 so you can not find
 the of this p. and
 the 10th inst. and
 was returned by
 the first then earb-
 a letter to the
 by, and ordered the
 can away.
 the sailing ex-
 was a word and
 what was the matter
 the occurrence of a li-
 recent prison.
 going round about
 the occurrence of a li-

Second prisoner made a long rambling statement by which he wanted to make out that
